Rep. Shuler Statement on ENDA

Washington, D.C. – Representative Heath Shuler issued the following statement this evening after voting against H.R. 3685, the Employment Non-Discrimination Act of 2007.

“I oppose discrimination and bigotry in any and all forms. I was pleased to support Chairman Miller’s amendment to bring further clarification to this legislation. However, I was unable to support final passage of this bill because I believe there are still serious legal ambiguities in the legislation, which could lead to protracted and onerous legal challenges. I look forward to working with my colleagues to address these concerns as this legislation moves forward.”
