Rep. Shuler Statement on HRMC

Washington, D.C. – Representative Heath Shuler today released the following statement regarding the loss of Medicare and Medicaid funding at Haywood Regional Medical Center.

“Ensuring that patients in the care of our hospitals are receiving the highest level of care possible is of the utmost importance to me. I am extremely concerned that Haywood Regional Medical Center has been found to be, 'not in compliance with the conditions of participation' in North Carolina's Medicare and Medicaid programs. I have already contacted the Governor's office about this situation, and I will continue to monitor it closely to ensure that patients are receiving the proper levels of care.”
